

## Daffodil Days®

Give Daffodils. Give Hope.™

The American Cancer Society Daffodil Days program is here! The Daffodil Days program is one opportunity to save lives from cancer by raising funds and sharing hope for a world with less cancer and more birthdays.

You can order daffodil bouquets, potted daffodils, a Bear and a Bunch (10 fresh-cut daffodils and a limited edition Boyds plush bear), or make anonymous gifts of flowers or teddy bears to people impacted by cancer.

**The deadline for choosing flowers is 5 p.m. on Wednesday, February 29, 2012.** Daffodils will arrive the week of March 19, 2012. Click on our Sherman Personal page below to order online and see the many donation options or order thru the main office envelope by using the Order Form attached.

Thanks so much for your help. Your contributions truly make a difference in the fight against cancer. To learn more about where your donation goes, read the [American Cancer Society, New England Division Annual Report](#).

Sincerely,

Holly Routhier and Maryann Dolzani - Daffodil Fundraiser Co-Chairs
